About Us

The logo for Wake features the word "Wake" in a stylized, red, cursive script font. The letter 'e' at the end of the word has a small eye-like graphic integrated into it.

WELFARE ASSOCIATION OF KANNUR DISTRICT EXPATS

Pacess Wellness India LLP was founded in Sep 2022, it is the 7th venture of the migrant community "wake economic forum" with a vision to make difference and add value to the global nutraceutical industry. We set high goals for ourselves and reach them with a sense of pride. We look at the world through the prism of limitless possibilities and overcome with excitement obstacles on the way to success. We appreciate in people and in different attribute to the common cause, the ability to listen and hear. Each member of the team is its important link, without which success will not be complete. We maintain warm relation within the team, based on family tradition of trust and good.
