PACESS™
Wellness India LLP

Introduction

Hello and welcome to PACESS WELLNESS INDIA LLP! We are thrilled to introduce ourselves as a new and promising initiative in the field of wellness. In this era of the wellness revolution, we understand that lifestyle diseases have become one of the biggest challenges we face today. Diseases like diabetes, blood pressure, and cholesterol can greatly impact our quality of life.

At PACESS WELLNESS INDIA LLP, we firmly believe that proper nutrition and lifestyle choices can go a long way in preventing these lifestyle diseases. That's why we are dedicated to bringing Nutraceutical Supplements into the market – a key component in the realm of wellness.

With over 13 years of experience in the field, we have come to understand the vital role that Nutraceutical Supplements play in the recovery cycle. Alongside conventional treatments, these supplements can significantly contribute to the process of recovery and overall well-being.

Our core mission at PACESS WELLNESS INDIA LLP is to make high-quality Nutraceutical Supplements accessible to everyone at a relatively low price. We firmly believe that by prescribing these supplements in tandem with other medications, we can promote and maintain your health, wealth, and happiness.

Zainutra Astaxanthin Capsule

Astaxanthin is one of the most powerful antioxidant supplements right now and with good reason. It's not only an antioxidant but also jam-packed with anti-fatigue and anti-inflammatory properties, as well as an array of other health benefits

That being said, astaxanthin as an antioxidant helps to reduce oxidation, a natural that is responsible for the vast majority of inflammation cases in our bodies. If not reduced, prolonged inflammation can cause insurmountable damage to our health and well being.

- Astaxanthin is 550 times more effective as an antioxidant than vitamin E
- Astaxanthin is nearly 6,000 times stronger than vitamin C, one of the most important vitamins when it comes to boosting immune system
- It's also 550 richer as a source of antioxidants than green tea or other Catechins.

Ingredients:

AstaReal Astaxanthin	- 6 mg
Vitamin E (Gamma-Tocopherol)	- 10 mg

KEY BENEFITS

1. Helps With Diabetes.

17. Good For Your Skin

Zainutra Joint Support Tablets

Joint health supplements can help increase range of motion, reduce arthritis Pain, aid in injury recovery and maintain the overall health of your joints.

Ingredients:

Glucosamine	750 mg	Bromelain	50 mg
Boswellia	100 mg	Rosehip	50 mg
Curcumin	50 mg		

KEY BENEFITS

Glucosamine HCL

Glucosamine HCL is a small, water soluble molecule that is quickly and almost completely absorbed. Glucosamine acts as a building block for joints and is essential in the production of cartilage, Tendons and ligaments. Helps to maintain joint integrity and joint matrix. Helps to rebuild and healthy maintenance of connective tissue.

Rose Hip Extract

Rose hip, the fruit of Rosa canina, is a dietary supplement for joint health. Rosehip extract contains polyphenols and anthocyanins, which are believed to ease joint inflammation and prevent joint damage. Helps to reduce joint pain, stiffness and swelling, improve joint mobility.

Boswellia

Because boswellia is an effective anti-inflammatory, it can be an effective painkiller and may prevent the loss of cartilage.

Curcuminoids

Curcumin is the active ingredient of mother turmeric, is standardized to contain 95% curcuminoids. Helps to reduce pain, stiffness, and physical functioning of joints. Helps to inhibit free radical damage and may reduce inflammation.

Bromelain

Bromelain is an enzyme extracted from pineapples; a powerful anti-inflammatory and analgesic characteristics. It helps reduce joint pains, swelling and improves joint mobility.

Zainutra Vitamin-D3 Softgel Capsules

Vitamin D3 also known as colecalciferol, and Cholecalciferol is a type of vitamin D that is made by the skin when exposed to sunlight; it is found in some foods and can be taken as a dietary supplement. Cholecalciferol is a form of vitamin D which is naturally synthesized in skin and functions as a pro-hormone, being converted to calcitriol. This is important for maintaining calcium levels and promoting bone health and development.

KEY BENEFITS

- * Strengthens bones and muscles.
- * Boost immunity
- * Improves mood.
- * Reduces inflammation.
- * Improve heart function.

Ingredients:

Cholecalciferol	IP 600 IU
Excipient	q.s

Zainutra Multivit

Daily multivitamin and multimineral oral spray

Our multivitamin Oral Spray is **gentle on the digestive system, helps in the absorption of daily supplements and normal cognitive function, and combats exhaustion** without the hassle of hard to swallow capsules and tablets.

The concept of vitamin supplements is not new for us, but this COVID-19 pandemic brings them into the limelight. They may help us to increase our natural immunity and fight against corona virus.

- Anti-oxidant

Curcumin reported with improved ANTI-CANCEROUS ACTIVITY

It has been shown that treatment of cancer cells with different dose of curcumin leads to the release of exosomes containing curcumin

Curcumin effect on kidney disorders:

- Helps in nephroprotection in CKD
- Activates anti-inflammatory and antioxidant pathways in CKD
- Inhibits inflammatory and oxidant pathways in CKD
- May be an adjuvant therapy for CKD patients.

Ingredients:

Nano Curcumin(20%) - 500 mg
Piperine - 10 mg

KEY BENEFITS

1. Curcumin is an Anti-Inflammatory.
2. Help Protect Against Heart Disease.
3. Help Prevent (and Possibly Treat) Certain Types of Cancer
4. Help Ease symptoms of Osteoarthritis.
5. Help Treat or Prevent Diabetes.
6. Help Delay or Reverse Alzheimer's disease.
7. Play a Role in Depression Treatment.
8. Play a Role in Treating Rheumatoid Arthritis.
9. Improve Skin Health.
10. Protects Your Body From Free Radicals.
11. Work as an Anti-Aging Supplement.
12. Prevent Eye Degeneration.

Zainutra Colostram

Bovine colostrum is made from the milky fluid a cow secretes after giving birth. It may help improve immunity, fight germs, and promote gut health. It's very nutritious and contains high levels of antibodies, which are proteins that fight infections and bacteria. Bovine colostrum is similar to human colostrum — rich in vitamins, minerals, fats, carbohydrates, disease-fighting proteins, growth hormones, and digestive enzymes.

Ingredients:

Colostrum	500 mg
Papaya leaf extract	5 mg
Pineapple fruit extract	5 mg

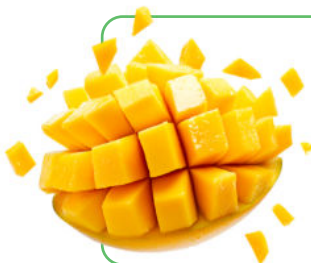

KEY BENEFITS

1. Boost Immunity
2. Prevent and Treat Allergic symptoms
3. Prevent and Treat Diarrhoea
4. Benefit in Gut Health
5. Supports platelet production (notably useful in dengue or viral fevers)
6. Anti-inflammatory and antioxidant properties
7. Enhances digestion and liver health
8. May help regulate blood sugar levels
9. Helps in reducing sinusitis and respiratory inflammation
10. Aids in tissue healing and post-surgical recovery
11. promotes skin health.

Zainutra Prozain

This meal replacement is designed to support weight management through a combination of high-quality proteins, fibres, healthy fats, and probiotics, alongside vitamins and minerals essential for maintaining overall health. The ingredients are carefully selected to enhance satiety, support digestive health, boost metabolism, and provide sustained energy. This holistic approach addresses multiple aspects of weight management, from reducing calorie intake and enhancing nutrient absorption to promoting a healthy gut microbiome and boosting metabolic processes.

Ingredients:

Probiotic blend	Piper nigrum (Black pepper)
Vitamin blend	Soy protein isolate
Minerals blend	Isomalto-Oligosaccharides(IMO)
Whey protein concentration	Medium chain triglycerides(MCT Fat powder)
Oat fiber	Milk solids
Ginger extract	Soy fiber
Tribulus extract	

KEY BENEFITS

- 1 May help with weight loss. Because protein takes a while to digest, it can help you feel full longer.
- 2 Can help maintain muscle mass in older people. People need extra protein as they age, 0.6 gram per pound of body weight per day, or about 90 grams for a person weighing 150 pounds. It may be hard to get that much from food alone.
- 3 Help with wound healing. If you've had an injury or are planning to have surgery, a protein shake with Whey protein can help repair your body's tissues.
- 4 They're a fast and convenient source of protein

Cautions:

- 1 Product is required to be stored out of reach of children
- 2 pregnant or lactating women and people with any medical condition should consult a dietician before consuming this product
- 3 This product is not intended to diagnose, treat, cure or prevent any disease.
- 4 Not to exceed the daily recommended usage.
